REAL ESTATE SCHOOL

Welcome! The Salt Lake Board of Realtors® Real Estate School is excited to help you achieve success in your profession as a Utah Realtor® through our online pre-licensing course! Please read through this important information before beginning your pre-licensing journey.

Can you qualify for a Utah real estate license?

In order to qualify for a Utah real estate license, each candidate must meet the following criteria:

- Be at least 18 years old at the time of application.
- Have a high school diploma or equivalent.
- Have no record of a felony within the last five (5) years.
- Have no misdemeanors involving fraud, misrepresentation, theft, or dishonesty within the last three (3) years.
- Meet the statutory licensing qualifications of honesty, integrity, truthfulness, reputation, and competency.
- Complete the Qualifying Questionnaire provided by the Utah Division of Real Estate.

Do you currently have a real estate license in another state?

If you currently have an active real estate license in another state, STOP HERE. You may be eligible for an education waiver from the Utah Division of Real Estate, which will reduce the number of course hours you need to complete before obtaining a Utah real estate license. Please contact the Utah Division of Real Estate at 801-530-6747 to apply for an education waiver.

If you miss this important step and enroll in our full pre-licensing course, you will have to complete all 120 required course hours, as you cannot apply for an education waiver retroactively.

What to do after the 120-hour course has been completed:

EXAMS

1. Pass the Real Estate School Final Exams

Students are required to complete the full online course (unless a waiver has been provided) and pass the school final exams with a score of 80% or higher.
